

This safety data sheet was created pursuant to the requirements of:  
UK REACH Regulations (SI 2019/758 as amended)

Supersedes date 31-Jul-2013

Revision date 08-Apr-2024

Revision Number 2

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

|                          |                                                                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code(s)          | 14736                                                                                                                                                                    |
| Safety data sheet number | 14736                                                                                                                                                                    |
| Product Name             | CASIFLUX                                                                                                                                                                 |
| Substance Name           | WOLLASTONITE                                                                                                                                                             |
| EC No (EU Index No)      | 237-772-5                                                                                                                                                                |
| CAS No                   | 13983-17-0                                                                                                                                                               |
| Synonyms                 | CASIFLUX G20, CASIFLUX G38, CASIFLUX A 25, CASIFLUX A 38, CASIFLUX A 90, CASIFLUX A 5000, CASIFLUX A 7020, CASIFLUX CA45, CASIFLUX G38X, CASIFLUX M 75, CASIFLUX M 50050 |
| Pure substance/mixture   | Substance                                                                                                                                                                |

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

|                 |                                               |
|-----------------|-----------------------------------------------|
| Recommended use | Ceramics Sealant Filler paint Plastics Cement |
|-----------------|-----------------------------------------------|

### 1.3. Details of the supplier of the safety data sheet

#### Supplier

Univar Solutions UK Ltd  
Aquarius House  
6 Mid Point Business Park  
Bradford  
GBR

For further information, please contact

|                                |                                   |
|--------------------------------|-----------------------------------|
| E-mail address                 | SDS.EMEA@univarsolutions.com      |
| Non-Emergency Telephone Number | +44 1274 267300 / +44 1274 267306 |

### 1.4. Emergency telephone number

|                     |                                |
|---------------------|--------------------------------|
| Emergency Telephone | SGS - +32 (0)3 575 55 55 (24h) |
|---------------------|--------------------------------|

## SECTION 2: Hazards identification

### 2.1. Classification of the substance or mixture

Not classified

## **2.2. Label elements**

Not classified

## **Hazard statements**

Not classified

## **2.3. Other hazards**

No information available.

# **SECTION 3: Composition/information on ingredients**

## **3.1 Substances**

| Chemical name              | Weight-% | EC No (EU Index No) | UK REACH registration number | Classification according to GB CLP (SI 2020/1567 as amended) | Specific concentration limit (SCL) | M-Factor | M-Factor (long-term) |
|----------------------------|----------|---------------------|------------------------------|--------------------------------------------------------------|------------------------------------|----------|----------------------|
| WOLLASTONITE<br>13983-17-0 | >80%     | 237-772-5           | -                            | -                                                            | -                                  | -        | -                    |
| QUARTZ<br>14808-60-7       | <1%      | 238-878-4           | -                            | STOT RE 1 (H372)                                             | -                                  | -        | -                    |

## **Full text of H- and EUH-phrases: see section 16**

This product does not contain candidate substances of very high concern at a concentration  $\geq 0.1\%$  (UK REACH Article 59)

# **SECTION 4: First aid measures**

## **4.1. Description of first aid measures**

|                                           |                                                                                                                                                                                             |
|-------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>General advice</b>                     | No hazards which require special first aid measures.                                                                                                                                        |
| <b>Inhalation</b>                         | Remove to fresh air. Get medical attention if symptoms occur.                                                                                                                               |
| <b>Eye contact</b>                        | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if irritation develops and persists. |
| <b>Skin contact</b>                       | No hazards which require special first aid measures.                                                                                                                                        |
| <b>Ingestion</b>                          | No hazards which require special first aid measures.                                                                                                                                        |
| <b>Self-protection of the first aider</b> | Wear personal protective clothing (see section 8).                                                                                                                                          |

## **4.2. Most important symptoms and effects, both acute and delayed**

|                 |             |
|-----------------|-------------|
| <b>Symptoms</b> | None known. |
|-----------------|-------------|

## **4.3. Indication of any immediate medical attention and special treatment needed**

Note to doctors Treat symptomatically.

## SECTION 5: Firefighting measures

### 5.1. Extinguishing media

**Suitable Extinguishing Media** Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Large Fire** CAUTION: Use of water spray when fighting fire may be inefficient.

**Unsuitable extinguishing media** Do not scatter spilled material with high pressure water streams.

### 5.2. Special hazards arising from the substance or mixture

**Specific hazards arising from the chemical** No information available.

### 5.3. Advice for firefighters

**Special protective equipment and precautions for fire-fighters** Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

**Personal precautions** Avoid generation of dust. In case of inadequate ventilation wear respiratory protection. Use personal protection recommended in Section 8.

**For emergency responders** Use personal protection recommended in Section 8.

### 6.2. Environmental precautions

**Environmental precautions** See Section 12 for additional Ecological Information.

### 6.3. Methods and material for containment and cleaning up

**Methods for containment** Avoid handling which leads to dust formation.

**Methods for cleaning up** Do not dry sweep dust. Wet dust with water before sweeping or use a vacuum to collect dust.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

### 6.4. Reference to other sections

**Reference to other sections** See section 8 for more information. See section 13 for more information.

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

**Advice on safe handling** Avoid generation of dust. Ensure adequate ventilation. Use personal protection

recommended in Section 8.

**General hygiene considerations** Do not eat, drink or smoke when using the product. Remove contaminated clothing and protective equipment before entering eating areas. Wash hands before breaks and immediately after handling the product. Take off all contaminated clothing and wash it before reuse. Wash thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace.

### 7.2. Conditions for safe storage, including any incompatibilities

**Storage Conditions** Avoid generation of dust. Keep container tightly closed in a dry and well-ventilated place.

### 7.3. Specific end use(s)

**Specific use(s)**  
See section 1 for more information.

**Risk Management Methods (RMM)** The information required is contained in this Safety Data Sheet.

## **SECTION 8: Exposure controls/personal protection**

### 8.1. Control parameters

**Exposure Limits** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

| Chemical name        | United Kingdom             |
|----------------------|----------------------------|
| QUARTZ<br>14808-60-7 | TWA: 0.1 mg/m <sup>3</sup> |

**Biological occupational exposure limits** This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies.

**Derived No Effect Level (DNEL) - Workers** No information available

**Derived No Effect Level (DNEL) - General Public** No information available.

**Predicted No Effect Concentration (PNEC)** No information available.

### 8.2. Exposure controls

**Engineering controls** Avoid generation of dust. Ensure adequate ventilation. Local and General Ventilation. Respiratory protection must be used if air contamination exceeds acceptable level. Wash hands after handling.

#### Personal protective equipment

**Eye/face protection** Wear safety glasses with side shields (or goggles). Use eye protection according to EN 166.

**Hand protection** Wear suitable gloves. Gloves must conform to standard EN 374.

**Skin and body protection** Wear appropriate clothing to prevent reasonably probable skin contact.

**Respiratory protection** In case of inadequate ventilation wear respiratory protection.  
**Recommended filter type:** Use half mask with dust filter P2. Dust filter P3 (for especially fine dust/powder).

**General hygiene considerations** Do not eat, drink or smoke when using the product. Remove contaminated clothing and protective equipment before entering eating areas. Wash hands before breaks and immediately after handling the product. Take off all contaminated clothing and wash it before reuse. Wash thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                        |                          |
|------------------------|--------------------------|
| <b>Physical state</b>  | Solid                    |
| <b>Appearance</b>      | Powder                   |
| <b>Colour</b>          | white                    |
| <b>Odour</b>           | Odourless.               |
| <b>Odour threshold</b> | No information available |

| <u>Property</u>                                | <u>Values</u>            | <u>Remarks • Method</u>         |
|------------------------------------------------|--------------------------|---------------------------------|
| <b>Melting point / freezing point</b>          | > 1000 °C                | > 1000°C.                       |
| <b>Initial boiling point and boiling range</b> |                          | No information available.       |
| <b>Flammability</b>                            |                          | No information available.       |
| <b>Flammability Limit in Air</b>               |                          | No information available.       |
| <b>Upper flammability or explosive limits</b>  |                          |                                 |
| <b>Lower flammability or explosive limits</b>  |                          |                                 |
| <b>Flash point</b>                             |                          | No information available.       |
| <b>Autoignition temperature</b>                |                          | No information available.       |
| <b>Decomposition temperature</b>               |                          | No information available.       |
| <b>pH</b>                                      | 10                       | @ 20 °C. 10%. aqueous solution. |
| <b>pH (as aqueous solution)</b>                |                          | No information available.       |
| <b>Kinematic viscosity</b>                     |                          | No information available.       |
| <b>Dynamic viscosity</b>                       |                          | No information available.       |
| <b>Water solubility</b>                        | negligible               | No information available.       |
| <b>Solubility(ies)</b>                         |                          | No information available.       |
| <b>Partition coefficient</b>                   |                          | No information available.       |
| <b>Vapour pressure</b>                         |                          | No information available.       |
| <b>Relative density</b>                        | 2.9                      | No information available.       |
| <b>Bulk density</b>                            |                          | No information available.       |
| <b>Liquid Density</b>                          | No information available | No information available.       |
| <b>Relative vapour density</b>                 |                          | No information available.       |
| <b>Particle characteristics</b>                |                          | No information available.       |
| <b>Particle Size</b>                           | No information available |                                 |
| <b>Particle Size Distribution</b>              | No information available |                                 |
| <b>Explosive properties</b>                    | No information available |                                 |
| <b>Oxidising properties</b>                    | No information available |                                 |

### 9.2. Other information

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

**Reactivity** Stable under normal conditions.

**10.2. Chemical stability**

**Stability** Stable under normal conditions.

**Explosion data**

**Sensitivity to mechanical impact** None.

**Sensitivity to static discharge** None.

**10.3. Possibility of hazardous reactions**

**Possibility of hazardous reactions** None under normal processing.

**10.4. Conditions to avoid**

**Conditions to avoid** None known based on information supplied.

**10.5. Incompatible materials**

**Incompatible materials** None known based on information supplied.

**10.6. Hazardous decomposition products**

**Hazardous decomposition products** None known based on information supplied.

**SECTION 11: Toxicological information****11.1. Information on toxicological effects****Information on likely routes of exposure****Product Information**

**Eye contact** Specific test data for the substance or mixture is not available.

**Skin contact** Specific test data for the substance or mixture is not available.

**Ingestion** Specific test data for the substance or mixture is not available.

**Symptoms related to the physical, chemical and toxicological characteristics**

**Symptoms** No information available.

**Acute toxicity****Numerical measures of toxicity**

The following values are calculated based on chapter 3.1 of the GHS document

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

**Skin corrosion/irritation** Based on available data the classification criteria are not met.

**Serious eye damage/eye irritation** Based on available data the classification criteria are not met.

**Respiratory or skin sensitisation** Based on available data the classification criteria are not met.

|                                 |                                                                  |
|---------------------------------|------------------------------------------------------------------|
| <b>Germ cell mutagenicity</b>   | Based on available data the classification criteria are not met. |
| <b>Carcinogenicity</b>          | Based on available data the classification criteria are not met. |
| <b>Reproductive toxicity</b>    | Based on available data the classification criteria are not met. |
| <b>STOT - single exposure</b>   | Based on available data the classification criteria are not met. |
| <b>STOT - repeated exposure</b> | Based on available data the classification criteria are not met. |
| <b>Aspiration hazard</b>        | Based on available data the classification criteria are not met. |
| <b>Other adverse effects</b>    | No information available.                                        |

## **SECTION 12: Ecological information**

### **12.1. Toxicity**

|                    |                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Ecotoxicity</b> | The product contains no substances known to be hazardous to health or to the environment in concentrations which need to be taken into account. |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|

### **12.2. Persistence and degradability**

|                                      |                           |
|--------------------------------------|---------------------------|
| <b>Persistence and degradability</b> | No information available. |
|--------------------------------------|---------------------------|

### **12.3. Bioaccumulative potential**

|                        |                                    |
|------------------------|------------------------------------|
| <b>Bioaccumulation</b> | There is no data for this product. |
|------------------------|------------------------------------|

### **12.4. Mobility in soil**

|                         |                           |
|-------------------------|---------------------------|
| <b>Mobility in soil</b> | No information available. |
|-------------------------|---------------------------|

### **12.5. Results of PBT and vPvB assessment**

|                                |                                                                          |
|--------------------------------|--------------------------------------------------------------------------|
| <b>PBT and vPvB assessment</b> | The product does not contain any substance(s) classified as PBT or vPvB. |
|--------------------------------|--------------------------------------------------------------------------|

### **12.6. Other adverse effects**

No information available.

## **SECTION 13: Disposal considerations**

### **13.1. Waste treatment methods**

|                                            |                                                                                                                                      |
|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| <b>Waste from residues/unused products</b> | Waste to be treated as controlled waste. Disposal to licensed waste disposal site in accordance with local Waste Disposal Authority. |
| <b>Contaminated packaging</b>              | Do not reuse empty containers.                                                                                                       |

## SECTION 14: Transport information

### IATA

|                                          |                |
|------------------------------------------|----------------|
| <b>14.1 UN number or ID number</b>       | Not regulated  |
| <b>14.2</b>                              |                |
| <b>14.3 Transport hazard class(es)</b>   | Not regulated  |
| <b>14.4 Packing group</b>                | Not regulated  |
| <b>14.5 Environmental hazards</b>        | Not applicable |
| <b>14.6 Special precautions for user</b> |                |
| <b>Special Provisions</b>                | None           |

### IMDG

|                                                                     |                          |
|---------------------------------------------------------------------|--------------------------|
| <b>14.1 UN number or ID number</b>                                  | Not regulated            |
| <b>14.3 Transport hazard class(es)</b>                              | Not regulated            |
| <b>14.4 Packing group</b>                                           | Not regulated            |
| <b>14.5 Environmental hazards</b>                                   | Not applicable           |
| <b>14.6 Special precautions for user</b>                            |                          |
| <b>Special Provisions</b>                                           | None                     |
| <b>14.7 Maritime transport in bulk according to IMO instruments</b> | No information available |

### RID

|                                          |                |
|------------------------------------------|----------------|
| <b>14.1 UN number or ID number</b>       | Not regulated  |
| <b>14.2 UN proper shipping name</b>      | Not regulated  |
| <b>14.3 Transport hazard class(es)</b>   | Not regulated  |
| <b>14.4 Packing group</b>                | Not regulated  |
| <b>14.5 Environmental hazards</b>        | Not applicable |
| <b>14.6 Special precautions for user</b> |                |
| <b>Special Provisions</b>                | None           |

### ADR

|                                          |                |
|------------------------------------------|----------------|
| <b>14.1 UN number or ID number</b>       | Not regulated  |
| <b>14.2 UN proper shipping name</b>      | Not regulated  |
| <b>14.3 Transport hazard class(es)</b>   | Not regulated  |
| <b>14.4 Packing group</b>                | Not regulated  |
| <b>14.5 Environmental hazards</b>        | Not applicable |
| <b>14.6 Special precautions for user</b> |                |
| <b>Special Provisions</b>                | None           |

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### National regulations

#### **Authorisations and/or restrictions on use:**

This product does not contain substances subject to authorisation (UK REACH - Annex XIV).

This product does not contain substances subject to restriction (UK REACH - Annex XVII).

#### **Persistent Organic Pollutants**

Not applicable

**Export Notification requirements**

Not applicable

**Named dangerous substances per COMAH Regulations 2015 (as amended)**

Not applicable

**The Ozone-Depleting Substances Regulations 2015**

Not applicable

**The Biocidal Products Regulations 2001 (as amended)**

Not applicable

**The Water Environment (Water Framework Directive) (England and Wales) Regulations 2017 (as amended)**

Not applicable

**Poisons Act 1972 (Explosive Precursors) Regulations (as Amended)**

Not applicable

**International Inventories**

|                      |                                                  |
|----------------------|--------------------------------------------------|
| <b>TSCA</b>          | Contact supplier for inventory compliance status |
| <b>DSL/NDL</b>       | Contact supplier for inventory compliance status |
| <b>EINECS/ELINCS</b> | Contact supplier for inventory compliance status |
| <b>ENCS</b>          | Contact supplier for inventory compliance status |
| <b>IECSC</b>         | Contact supplier for inventory compliance status |
| <b>KECI</b>          | Contact supplier for inventory compliance status |
| <b>PICCS</b>         | Contact supplier for inventory compliance status |
| <b>AIIC</b>          | Contact supplier for inventory compliance status |
| <b>NZIoC</b>         | Contact supplier for inventory compliance status |

**Legend:**

**TSCA** - United States Toxic Substances Control Act Section 8(b) Inventory  
**DSL/NDL** - Canadian Domestic Substances List/Non-Domestic Substances List  
**EINECS/ELINCS** - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances  
**ENCS** - Japan Existing and New Chemical Substances  
**IECSC** - China Inventory of Existing Chemical Substances  
**KECL** - Korean Existing and Evaluated Chemical Substances  
**PICCS** - Philippines Inventory of Chemicals and Chemical Substances  
**AIIC** - Australian Inventory of Industrial Chemicals  
**NZIoC** - New Zealand Inventory of Chemicals

**15.2. Chemical safety assessment**

**Chemical Safety Report** No information available

**SECTION 16: Other information****Key or legend to abbreviations and acronyms used in the safety data sheet****Legend**

SVHC: Substances of Very High Concern for Authorisation:

**Legend Section 8: Exposure controls/personal protection**

|         |                             |      |                                  |
|---------|-----------------------------|------|----------------------------------|
| TWA     | TWA (time-weighted average) | STEL | STEL (Short Term Exposure Limit) |
| Ceiling | Maximum limit value         | *    | Skin designation                 |
| +       | Sensitisers                 |      |                                  |

Revision Note \*\*\*Indicates updated data since last publication

**Classification procedure**

|                                                                 |                    |
|-----------------------------------------------------------------|--------------------|
| Classification according to Regulation (EC) No. 1272/2008 [CLP] | Method Used        |
| Acute oral toxicity                                             | Calculation method |
| Acute dermal toxicity                                           | Calculation method |
| Acute inhalation toxicity - gas                                 | Calculation method |
| Acute inhalation toxicity - vapour                              | Calculation method |
| Acute inhalation toxicity - dust/mist                           | Calculation method |
| Skin corrosion/irritation                                       | Calculation method |
| Serious eye damage/eye irritation                               | Calculation method |
| Respiratory sensitisation                                       | Calculation method |
| Skin sensitisation                                              | Calculation method |
| Mutagenicity                                                    | Calculation method |
| Carcinogenicity                                                 | Calculation method |
| Reproductive toxicity                                           | Calculation method |
| STOT - single exposure                                          | Calculation method |
| STOT - repeated exposure                                        | Calculation method |
| Acute aquatic toxicity                                          | Calculation method |
| Chronic aquatic toxicity                                        | Calculation method |
| Aspiration hazard                                               | Calculation method |
| Ozone                                                           | Calculation method |
