

This safety data sheet was created pursuant to the requirements of:  
UK REACH Regulations (SI 2019/758 as amended)

Supersedes date 06-Mar-2024

Revision date 12-Nov-2025

Revision Number 6.04

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

**Product Code(s)** 59618  
**Safety data sheet number** 59618  
**Product Name** MILK POWDER

*NOTE [3] - This substance is exempted from registration because it is used in food or feeding stuffs according to the provisions of Article 2(5)(b) of REACH*

**Synonyms** VALIO SKIMMED MILK POWDER, VALIO EILA SWEET LACTOSE FREE SKIMMED MILK POWDER, VALIO EILA PRO LACTOSE FREE SKIMMED MILK POWDER, VALIO WHOLE MILK POWDER, VALIO EILA LACTOSE FREE SEMI-SKIMMED MILK POWDER, VALIO EILA LOW LACTOSE SKIMMED MILK POWDER, VALIO EILA SWEET LACTOSE FREE WHOLE MILK POWDER, VALIO EILA PRO LACTOSE FREE WHOLE MILK POWDER, VALIO EILA MPC 65, VALIO EILA MPC 50 F

**Pure substance/mixture** Substance

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

**Recommended use** Food industry

### 1.3. Details of the supplier of the safety data sheet

#### **Supplier**

Univar Solutions UK Ltd  
Aquarius House  
6 Mid Point Business Park  
Bradford  
GBR

For further information, please contact

**E-mail address** SDS.EMEA@univarsolutions.com

**Non-Emergency Telephone Number** +44 1274 267300 / +44 1274 267306

### 1.4. Emergency telephone number

**Emergency Telephone** SGS - +32 (0)3 575 55 55 (24h)

## SECTION 2: Hazards identification

### 2.1. Classification of the substance or mixture

Not classified

## **2.2. Label elements**

Not classified

## **Hazard statements**

Not classified

## **2.3. Other hazards**

No information available.

# **SECTION 3: Composition/information on ingredients**

## **3.1 Substances**

| Chemical name    | Weight-% | EC No (EU Index No) | UK REACH registration number | Classification according to GB CLP (SI 2020/1567 as amended) | Specific concentration limit (SCL) | M-Factor | M-Factor (long-term) |
|------------------|----------|---------------------|------------------------------|--------------------------------------------------------------|------------------------------------|----------|----------------------|
| MILK POWDER<br>- | <=100%   | -                   | -                            | -                                                            | -                                  | -        | -                    |

## **Full text of H- and EUH-phrases: see section 16**

This product does not contain candidate substances of very high concern at a concentration  $\geq 0.1\%$  (UK REACH Article 59)

# **SECTION 4: First aid measures**

## **4.1. Description of first aid measures**

### **Inhalation**

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Rinse mouth thoroughly with water. Get medical attention if symptoms occur.

### **Eye contact**

Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if symptoms occur.

### **Skin contact**

IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Get medical attention if symptoms occur.

### **Ingestion**

Rinse mouth thoroughly with water. Do NOT induce vomiting. Get medical attention if symptoms occur.

## **4.2. Most important symptoms and effects, both acute and delayed**

### **Eyes**

Dust contact with the eyes can lead to mechanical irritation.

## **4.3. Indication of any immediate medical attention and special treatment needed**

Note to doctors Treat symptomatically.

## SECTION 5: Firefighting measures

### 5.1. Extinguishing media

**Suitable Extinguishing Media** Water spray. Carbon dioxide (CO<sub>2</sub>). Alcohol resistant foam.

**Large Fire** CAUTION: Use of water spray when fighting fire may be inefficient.

**Unsuitable extinguishing media** Do not scatter spilled material with high pressure water streams.

### 5.2. Special hazards arising from the substance or mixture

**Specific hazards arising from the chemical** When heated and in case of fire, toxic vapours/gases may be formed.

**Hazardous combustion products** Carbon oxides.

### 5.3. Advice for firefighters

**Special protective equipment and precautions for fire-fighters** Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

**Personal precautions** Ensure adequate ventilation. Use personal protection recommended in Section 8. Avoid contact with eyes, skin and clothing. Avoid breathing dust.

**For emergency responders** Use personal protection recommended in Section 8.

### 6.2. Environmental precautions

**Environmental precautions** See Section 12 for additional Ecological Information.

### 6.3. Methods and material for containment and cleaning up

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Remove spillage with vacuum cleaner. If not possible, collect spillage with shovel, broom or the like. Take up mechanically, placing in appropriate containers for disposal.

**Prevention of secondary hazards** Clean contaminated objects and areas thoroughly observing environmental regulations.

### 6.4. Reference to other sections

**Reference to other sections** See section 8 for more information. See section 13 for more information.

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

**Advice on safe handling** Ensure adequate ventilation. Use personal protection recommended in Section 8. Avoid contact with eyes, skin and clothing. Do not breathe dust. Avoid generation of dust. Fine dust dispersed in air, in sufficient concentrations, and in the presence of an ignition source is a potential dust explosion hazard.

**General hygiene considerations** Wash hands before breaks and immediately after handling the product.

#### **7.2. Conditions for safe storage, including any incompatibilities**

#### **7.3. Specific end use(s)**

**Specific use(s)**

See section 1 for more information.

**Risk Management Methods (RMM)** The information required is contained in this Safety Data Sheet.

### **SECTION 8: Exposure controls/personal protection**

#### **8.1. Control parameters**

**Exposure Limits** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

**Biological occupational exposure limits** This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies.

**Derived No Effect Level (DNEL) - Workers** No information available

**Derived No Effect Level (DNEL) - General Public** No information available.

**Predicted No Effect Concentration (PNEC)** No information available.

#### **8.2. Exposure controls**

**Engineering controls** No information available.

#### **Personal protective equipment**

**Eye/face protection** Wear safety glasses with side shields (or goggles). Use eye protection according to EN 166.

**Hand protection** None under normal use conditions. Unless allergy to milk proteins.

**Skin and body protection** No special protective equipment required.

**Respiratory protection** Use appropriate respiratory protection.  
Use effective dust masks.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                 |                                                |
|-----------------|------------------------------------------------|
| Physical state  | Solid                                          |
| Appearance      | Dusty powder granules solid Crystalline powder |
| Colour          | white To Tan                                   |
| Odour           | No information available.                      |
| Odour threshold | No information available                       |

| Property                                | Values                   | Remarks • Method          |
|-----------------------------------------|--------------------------|---------------------------|
| Melting point / freezing point          |                          | No information available. |
| Initial boiling point and boiling range |                          | No information available. |
| Flammability                            |                          | No information available. |
| Flammability Limit in Air               |                          | No information available. |
| Upper flammability or explosive limits  |                          |                           |
| Lower flammability or explosive limits  |                          |                           |
| Flash point                             |                          | No information available. |
| Autoignition temperature                |                          | No information available. |
| Decomposition temperature               |                          | No information available. |
| pH                                      |                          | No information available. |
| pH (as aqueous solution)                |                          | No information available. |
| Kinematic viscosity                     |                          | No information available. |
| Dynamic viscosity                       |                          | No information available. |
| Water solubility                        | Soluble in water         |                           |
| Solubility(ies)                         |                          | No information available. |
| Partition coefficient                   |                          | No information available. |
| Vapour pressure                         |                          | No information available. |
| Relative density                        | 0.40 - 0.70              |                           |
| Bulk density                            |                          | No information available  |
| Liquid Density                          | No information available | No information available  |
| Relative vapour density                 |                          | No information available. |
| Particle characteristics                |                          | No information available. |
| Particle Size                           | No information available |                           |
| Particle Size Distribution              | No information available |                           |
| Explosive properties                    | No information available |                           |
| Oxidising properties                    | No information available |                           |

### 9.2. Other information

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

|            |                                              |
|------------|----------------------------------------------|
| Reactivity | Stable under recommended storage conditions. |
|------------|----------------------------------------------|

### 10.2. Chemical stability

|           |                                 |
|-----------|---------------------------------|
| Stability | Stable under normal conditions. |
|-----------|---------------------------------|

### Explosion data

|                                  |       |
|----------------------------------|-------|
| Sensitivity to mechanical impact | None. |
| Sensitivity to static discharge  | None. |

### 10.3. Possibility of hazardous reactions

|                                    |                                           |
|------------------------------------|-------------------------------------------|
| Possibility of hazardous reactions | Dust may form explosive mixture with air. |
|------------------------------------|-------------------------------------------|

**10.4. Conditions to avoid**

Conditions to avoid Excessive heat.

**10.5. Incompatible materials**

Incompatible materials None known based on information supplied.

**10.6. Hazardous decomposition products**

Hazardous decomposition products Carbon oxides.

**SECTION 11: Toxicological information****11.1. Information on toxicological effects****Information on likely routes of exposure****Product Information**

|              |                                                                                      |
|--------------|--------------------------------------------------------------------------------------|
| Inhalation   | Inhalation of dust in high concentration may cause irritation of respiratory system. |
| Eye contact  | Dust contact with the eyes can lead to mechanical irritation.                        |
| Skin contact | Dust or powder may irritate the skin.                                                |
| Ingestion    | Gastrointestinal discomfort.                                                         |

**Symptoms related to the physical, chemical and toxicological characteristics**

Symptoms No information available.

**Acute toxicity****Numerical measures of toxicity**

No information available

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

|                                   |                                                                  |
|-----------------------------------|------------------------------------------------------------------|
| Skin corrosion/irritation         | Based on available data the classification criteria are not met. |
| Serious eye damage/eye irritation | Based on available data the classification criteria are not met. |
| Respiratory or skin sensitisation | Based on available data the classification criteria are not met. |
| Germ cell mutagenicity            | Based on available data the classification criteria are not met. |
| Carcinogenicity                   | Based on available data the classification criteria are not met. |
| Reproductive toxicity             | Based on available data the classification criteria are not met. |

**STOT - single exposure** Based on available data the classification criteria are not met.

**STOT - repeated exposure** Based on available data the classification criteria are not met.

**Aspiration hazard** Based on available data the classification criteria are not met.

**Other adverse effects** No information available.

## SECTION 12: Ecological information

### 12.1. Toxicity

**Ecotoxicity** The environmental impact of this product has not been fully investigated.

### 12.2. Persistence and degradability

**Persistence and degradability** No information available.

### 12.3. Bioaccumulative potential

**Bioaccumulation** There is no data for this product.

### 12.4. Mobility in soil

**Mobility in soil** Soluble in water.

### 12.5. Results of PBT and vPvB assessment

**PBT and vPvB assessment** The product does not contain any substance(s) classified as PBT or vPvB.

### 12.6. Other adverse effects

No information available.

## SECTION 13: Disposal considerations

### 13.1. Waste treatment methods

**Waste from residues/unused products** Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.

**Contaminated packaging** Do not reuse empty containers.

## SECTION 14: Transport information

### IATA

**14.1 UN number or ID number** Not regulated

**14.2 UN proper shipping name** Not regulated

|             |                                                         |                          |
|-------------|---------------------------------------------------------|--------------------------|
| 14.3        | Transport hazard class(es)                              | Not regulated            |
| 14.4        | Packing group                                           | Not regulated            |
| 14.5        | Environmental hazards                                   | No                       |
| 14.6        | Special precautions for user                            |                          |
|             | Special Provisions                                      | None                     |
| <b>IMDG</b> |                                                         |                          |
| 14.1        | UN number or ID number                                  | Not regulated            |
| 14.2        | UN proper shipping name                                 | Not regulated            |
| 14.3        | Transport hazard class(es)                              | Not regulated            |
| 14.4        | Packing group                                           | Not regulated            |
| 14.5        | Environmental hazards                                   | No                       |
| 14.6        | Special precautions for user                            |                          |
|             | Special Provisions                                      | None                     |
| 14.7        | Maritime transport in bulk according to IMO instruments | No information available |
| <b>RID</b>  |                                                         |                          |
| 14.1        | UN number or ID number                                  | Not regulated            |

| 14.4        | Packing group                                           | Not regulated            |
| 14.5        | Environmental hazards                                   | No                       |
| 14.6        | Special precautions for user                            |                          |
|             | Special Provisions                                      | None                     |

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### National regulations

##### Authorisations and/or restrictions on use:

This product does not contain substances subject to authorisation (UK REACH - Annex XIV).

This product does not contain substances subject to restriction (UK REACH - Annex XVII).

##### Persistent Organic Pollutants

Not applicable

##### Export Notification requirements

Not applicable

##### Named dangerous substances per COMAH Regulations 2015 (as amended)

Not applicable

##### The Ozone-Depleting Substances Regulations 2015

Not applicable

##### The Biocidal Products Regulations 2001 (as amended)

Not applicable

**The Water Environment (Water Framework Directive) (England and Wales) Regulations 2017 (as amended)**

Not applicable

**Poisons Act 1972 (Explosive Precursors) Regulations (as Amended)**

Not applicable

**International Inventories**

|                      |                                                  |

**Classification procedure**

|                                                                 |                    |
|-----------------------------------------------------------------|--------------------|
| Classification according to Regulation (EC) No. 1272/2008 [CLP] | Method Used        |
| Acute oral toxicity                                             | Calculation method |
| Acute dermal toxicity                                           | Calculation method |
| Acute inhalation toxicity - gas                                 | Calculation method |
| Acute inhalation toxicity - vapour                              | Calculation method |
| Acute inhalation toxicity - dust/mist                           | Calculation method |
| Skin corrosion/irritation                                       | Calculation method |
| Serious eye damage/eye irritation                               | Calculation method |
| Respiratory sensitisation                                       | Calculation method |
| Skin sensitisation                                              | Calculation method |
| Mutagenicity                                                    | Calculation method |

|                          |                    |
|--------------------------|--------------------|
| Carcinogenicity          | Calculation method |
| Reproductive toxicity    | Calculation method |
| STOT - single exposure   | Calculation method |
| STOT - repeated exposure | Calculation method |
| Acute aquatic toxicity   | Calculation method |
| Chronic aquatic toxicity | Calculation method |
| Aspiration hazard        | Calculation method |
| Ozone                    | Calculation method |
